SUSTAINABLE FUTURE MECHANISM

Digital Map is a interactive, graphic tool created for the purpose of CTCC project. It **identifies, integrates & connects** all affected stakeholders (trippel helix) from 5 regions . It shows capacities, competencies, strengths, on-going & future projects. It is used as reference for creative-traditional business partnership cluster development and contributes to competence mobility.

Tool is incorporated into CTCC website: www.movecreative.eu as a dedicated application.

Structure of the stakeholder categories with visual identification:

CREATIVE INDUSTRY:

- design;
- architecture;
- advertising, software & games;
- other.

TRADITIONAL INDUSTRY:

- maritime transport & shipbuilding;
- green (renewable) energy production;
- maritime tourism (yachting, marinas, cruising);
- other.

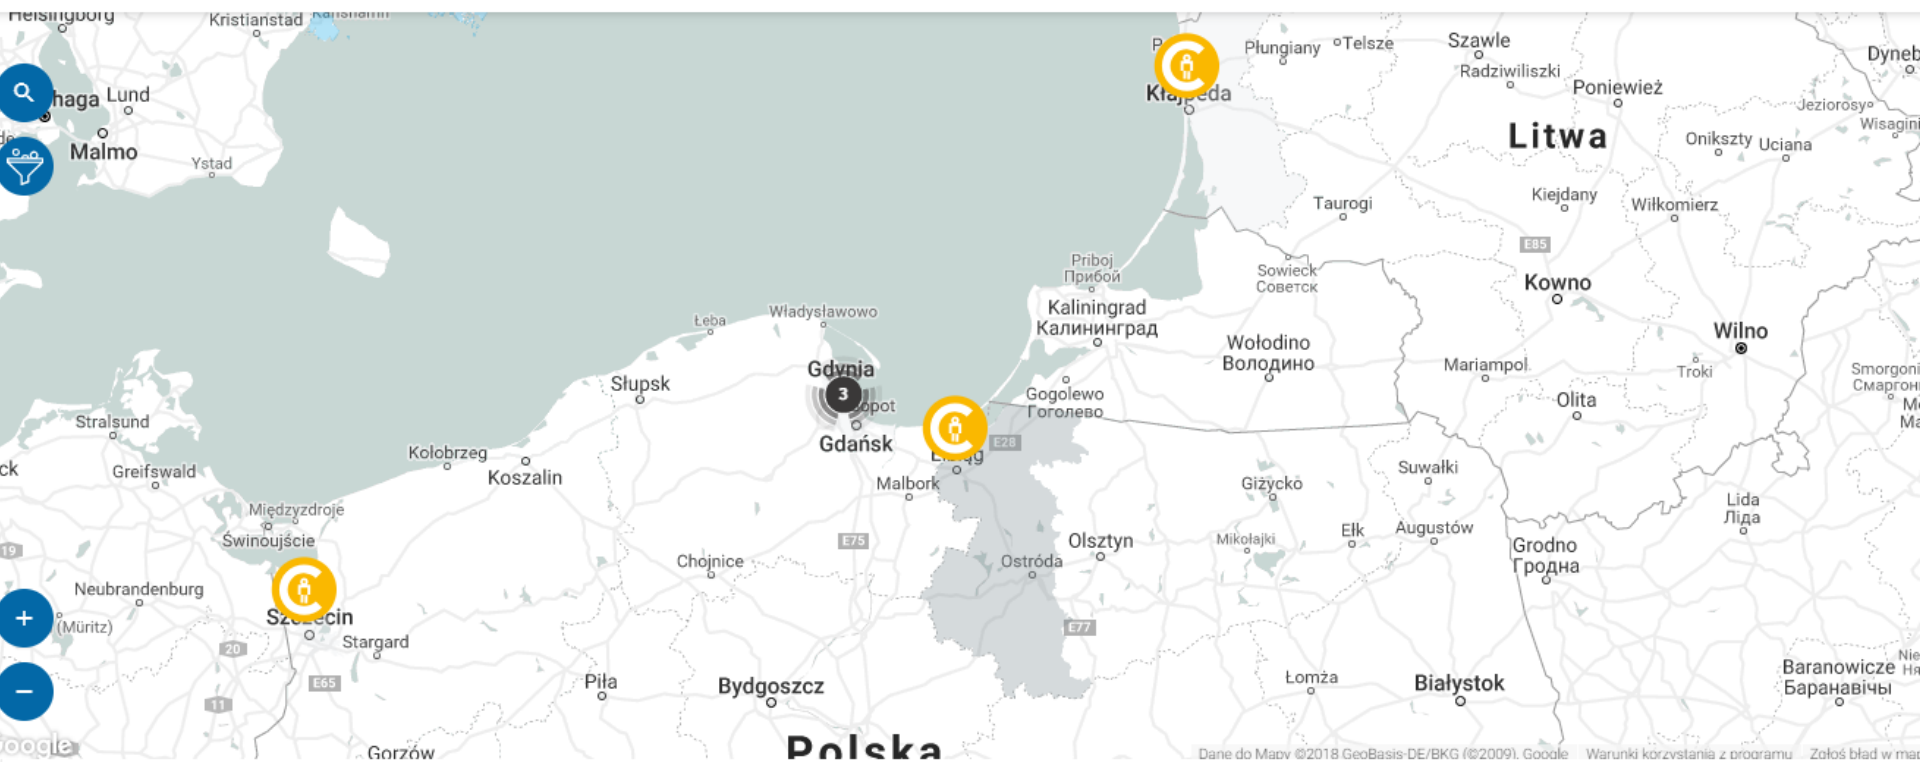

PARTNERS:

- Project Partners;
- Affiliated Partners;
- other.
